

Concrete Sealer

Acrylic sealer for concrete

Concrete sealer is an acrylic-based coating that penetrates and seals your surfaces against the absorption of water, oil and dust, making it easier to clean. It protects your surface especially from tire marks. Milky in appearance, it becomes translucent once dried. Its special formulation provides long-lasting protection.

Advantages

- Excellent adhesion
- Non-toxic
- Odorless
- UV Resistant
- Wear Resistance

Functions

- Seal

Surfaces

- Concrete

Application temperature

- 10°C and more

Covering rate

- Smooth Surface : 7,5 to 12,5 m²/L 300 to 500 ft²/gallon
- Rough Surface : 3 to 4 m²/L 120 to 160 ft²/gallon

Colors

- Clear

Building components

- Paving

Application tools

- Spray gun
- Paint brush
- Roller

Service temperature

- 40°C to 85°C

Density

- 0,95 - 1,05

Surface preparation

- Surfaces must be clean and free of dust, dirt or other contaminants.

Application

Do not apply if rain is expected and/or if dew may occur before complete drying. Stir well all the contents of the pail before application. During the application and during the complete drying, the temperature should be above 10°C. Apply the product in 2 thin coats evenly over the entire surface, allowing about 20 minutes to dry between coats. Allow to dry and harden, protecting the surface against weathering. Close the container after each use.

Drying

Allow to dry and harden before allowing movement or repositioning of furniture.

Cleaning

Water/Soap

Storage

The product may be kept in its original sealed container up to up to 12 months after the date of purchase by the user.

Format

3,78L / 18,9L

Restriction / Caution

Keep from freezing

Warranty

The customer shall verify of the suitability of this product for the intended purpose. Applicator's skill, weather and surface conditions being beyond manufacturer's control, we limit our liability to replacement of defective material only in sealed container, within 1 year of proof of purchase. FOB plant.

ATTENTION

May cause respiratory irritation

PRECAUTIONARY: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Avoid breathing dust/ fumes/ gas/ mist/ vapours/ spray. Wash exposed and/or contaminated area thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear protective gloves/ protective clothing/ eye protection/ face protection.
